Venue:

Auditorium

Malla Reddy Pharmacy College, Campus III

About the Management

Malla Reddy Group of Institutions (MRGI) was established by Sri Ch. Malla Reddy, an eminent educationist and Minister of Labour, Employment, Women and Child Development in the state of Telangana. MRGI is the largest cluster of institutions in the state of Telangana, educating around 30,000 students per year and employing more than 3000 staff members. The founder chairman Sri Ch. Malla Reddy has been in the field of education for the last 27 years with the motto to spread quality education. MRGI has 8 engineering colleges, 2 medical and 1 dental and 3 Pharmacy colleges and MBA colleges. The college campus with its arboriculture and horticulture is situated away from the hustle bustle city provides a serene and placid atmosphere which is propitious to both teaching and learning processes.

About the Host College

Malla Reddy Pharmacy College is one of the renowned Pharmacy College in Telangana for its unique pedagogy and on campus academic activities. We strongly believe that education is not just a mere act of teaching-learning, but aims and puts relentless efforts in training, guiding, motivating and leading young budding pharmacists in the ever expanding horizon of insatiable thirst for knowledge. Malla Reddy Pharmacy College was established in 2007 and approved by AICTE and PCI, New Delhi and affiliated to JNTUH, Hyderabad. Our Institute is offering B.Pharmacy and Doctor of Pharmacy. Our College has a team of dedicated, competent, experienced and ratified faculty who not only educates our students but also take personnel care of them.

About the Association

Association of Pharmacy Professionals (APP) is a unique organization of more than 1000 dedicated professionals willing to serve pharmacy profession in dynamic ways and involves people from various arena including students, teachers, researchers, scientists as well as industry professionals. APP aids in extending the knowledge and facilities of several technical institutes, industries as well as health sectors to the remote areas where the service and live functionality of pharmacy profession is the real want. This humble act might be in the form of academic, research or health related activities. The association also share the responsibilities of professionals towards the community and social liabilities. APP accesses the availability of expertise when it needs and ensures that the systematic teaching learning activities not only occurs but also reach to the common knowledge development system by acting as source of fulfilment in case of any need.

About the Conference

On behalf of Organizing Committee, we invite all the participants from all over the Nation to attend "Current Trends in Pharmaceutical Education and Research (CTPER-2019)" scheduled on July 27th, 2019 at Malla Reddy Pharmacy College, Hyderabad, India. This is one of the best opportunity to reach the big assemblage of Participants from Pharmaceutical Sciences community those are from Academia, Pharmaceutical Research Entities, Medical Groups along with related Associations and Societies.

The Brain storming scientific sessions of the "CTPER-2019" will highlight the need to focus on innovative strategies, emerging trends in the core areas of Pharmaceutical and Pharmaceutical Medicinal Chemistry especially Synthetic Organic Chemistry, Pharmacology along with other natural sources are involved with design, synthesis and development of API as well as NCE to remain globally competitive and to meet clarion call of quality health care.
